Battery Technology Expo 2024

Frequently Asked Questions

When is battery Tech Expo 2024?

Eventbrite - 10four Media presents Battery Tech Expo 2024 - Thursday, 25 April 2024 at Silverstone Circuit, Towcester, England. Find event and ticket information.

What is the battery Tech Expo?

EXPLORE THE BATTERY REVOLUTION! As the UK's largest event for the battery industry, the Battery Tech Expo brings together the largest audience of battery industry buyers, specialists and suppliers under one roof The UK's largest battery industry event bringing together hundreds of industry buyers, specialists and suppliers under one roof

What is the battery Tech 2021 exhibition & conference?

The Battery Tech 2021 Exhibition & Conference is the only event of its kind to deliver leading market intelligence and industry presentations on the latest battery technologies for the automotive sector.... view more

How many exhibitors are attending World battery industry expo 2024?

More than 800 high-quality exhibitors attended World Battery Industry Expo 2023, including as many as 350 leading battery manufacturers offering the latest solutions for electric vehicles, energy storage, 3C products, smart terminals and other electronic devices and appliances.

What is Battery Conference 2024?

The Battery Conference 2024, an annual event organized by the Korea Battery Industry Association (KBIA) since 2012, is a premium international conference covering emerging trends, challenges, and the latest technological advancements in lithium-ion batteries and future battery technologies.

What is a battery industry event?

The UK's largest battery industry event bringing together hundreds of industry buyers, specialists and suppliers under one roof. From corporate buyers, suppliers and industry specialists, this event is where the industry meets year after year, to connect, learn and discover the latest developments and products. The event is free to attend.

Article Content

The Battery Technology Expo

Located at the heart of the US Battery Belt, the Battery Technology Expo connects enabling technologies creating the Electric Vehicle and Battery manufacturing revolution.
